

The GLEBE JANUARY 2016

GET UP TO VERMONT!

7 Reasons to get to the LODGE now!

Cold weather and SNOW!!! After a few fits and starts the cold weather is on its way and conditions are getting consistently better. Mid-January looks great for prime snow.

Support the Club. The Lodge really is the best deal in town, but in order to keep it that way the Club needs the income from members and guests.

RIDE SHARE! It is now even easier to steal away and share the trip with a fellow member. Check out the new RIDE SHARE feature on the NSC website.

DEALS! Resorts are suffering a bit from the warm December and are offering all sorts of enticing deals and lessons packages to entice people to the Mountain. Check out Liftopia.com for Stratton tickets as low as \$39.00!

Ski Mid-Week. Nothing better than uncrowded trails and short lift lines. Treat yourself

Burn off those Holiday Pounds. A full weekend of skiing can help shed weight. Burn up as much as 3,000 calories a day skiing or snowboarding.

It makes you happy. South Korean researchers have confirmed what we all know. Even just getting to the mountains occasionally to ski and snowboard helps over all well-being.

Preparation for Skiing as discovered by Ben and Nico

Elvir : 10. Visit your local butcher and pay \$30 to sit in the walk-in freezer for half an hour. Afterwards, burn two \$50 dollar bills to warm up. 9. Go to the nearest hockey rink and walk across the ice 20 times in your ski boots carrying two pairs of skis, accessory bag and poles. Pretend you are looking for your car. 8. For ski boot simulation at home, put a pebble in your street shoes and tighten a C-clamp around your toes. 7. Buy a pair of gloves and immediately throw one away. 6. Go to McDonald's and insist on paying \$8.50 for a hamburger.

Be sure to wait in the longest line. 5. Clip a lift ticket to the zipper of your jacket and ride a motorcycle fast enough to make the ticket lacerate your face. 4. Drive slowly for five hours - anywhere - as long as it's in a snowstorm and you're following an 18 wheeler. 3. Fill a blender with ice, hit the pulse button and let the spray blast your face. You'd almost believe you're skiing in front of a snowmaker! 2. Dress up in as many clothes as you can and then proceed to take them off because you have to go to the bathroom. 1. Repeat all of the above every Saturday and Sunday.
